

# Spend the Day with a Falconer!

**W**itness the ancient sport of falconry with master falconer Shayne Clarke. Discover the secrets of trapping and taming a wild falcon and training it to be a trusted hunting partner.

Squint your eyes as a peregrine or prairie falcon drops out of the heavens at speeds over 200 mph.

Share the passion for falconry up close and personal with this once-in-a-lifetime opportunity.

Happy to accommodate an individual, family, or work group. Could also present business and communication principles learned from over 30 years training falcons!
